Description:

This is an entry-level Qualification for those who want to enter the field of Education, Training and Development, specifically within the sub-field of Early Childhood Development (ECD). Many of those who will seek this Qualification are already practising within the field, but without formal recognition. This Qualification will enable recipients of this Qualification to facilitate the all-round development of young children in a manner that is sensitive to culture and individual needs (including special needs), and enable them to provide quality early childhood development services for children in a variety of contexts, including community-based services, ECD centres, at home and in institutions. In particular, recipients of this qualification will be able to:

- Plan and prepare for Early Childhood Development.
- Facilitate and monitor the development of babies, toddlers and young children.
- **Provide care and support to babies, toddlers and young children.**

Course Accreditations

This course is accredited with ETDP Seta, Accreditation no **ETDP011366** and each learner will have to submit a Portfolio of Evidence after the training, upon being deemed competent, the learner will receive statement of result from ETDP SETA and a Certificate of Competence from Premier Recruitment and Training.
